

Family Food Drive Scavenger Hunt

Who can participate?

Your family, big or small, young or old!

When do we begin collecting food?

Food drive will begin August 10, and run through August 16. All food must be turned in by 5pm on Sunday, the 16th. Gina will get with you to schedule a drop off time that works for you.

What items are we to collect?

Non perishable food items. This includes (but is not limited to) canned goods, dry cereals, pasta, rice, peanut butter, canned meats... really, anything that has a long shelf life, and does not need to be refrigerated.

How do we collect items?

Call your neighbors/friends/coworkers, post on social media, make flyers to hang in your neighborhood... be CREATIVE!

Tell them your family is collecting food (or cash donations) for the Missouri Street food pantry to be given to those in need in our community! They can either drop the items they wish to donate off to you (we suggest you leave a box on your porch for people to drop off in, as to maintain social distancing) or schedule a time to run by and pick up their donation from their porch (again, social distancing recommended).

What exactly makes this a “Scavenger Hunt”?

Each item collected will be assessed points based on which category the item fits in. We ask that you acquire as many items as possible to stock the pantry shelves, but also be aware that some items are more valuable to the pantry than others. The family who gets the most points will be awarded a PRIZE!

ALSO, there is a mystery item that can earn more points than any other! I cannot tell you what it is, you will find out when you drop off your items on Sunday, the 16th.

Family Food Drive Scavenger Hunt
